One of our members, William McLaren, needs to hire a set of bagpipes from the club. He will be allocated instrument BP13 from our hire list. The instrument hire will start on 21 April 2024 and William has already paid the hire fee.

To allow us to enter these changes for William into our records, and to better keep track of hires, please create a form – with an appropriate sub-form. Show the full name of the member who is hiring the instrument, all the fields from the Hires table and the Instrument Type.

The form should have a suitable title as well as the club's logo – both should be displayed in the form header.

Print the form showing the record for William only.

Awards Ceremony

I need information regarding the trophies that have been purchased for the Awards Ceremony.

I have started to input this information into the spreadsheet – could you please complete this for me?

The company we purchase from has offered us discounts depending on the number of each item purchased, please apply these appropriately.

Print a copy of this worksheet in value view and formula view, but without the discount table.

There is concern about spiralling costs this year compared to last year. Could you please calculate the difference in costs between last year and this year? Print this worksheet in value view and formula view.

I am collating all of the information required for the report for the AGM and have started a file.

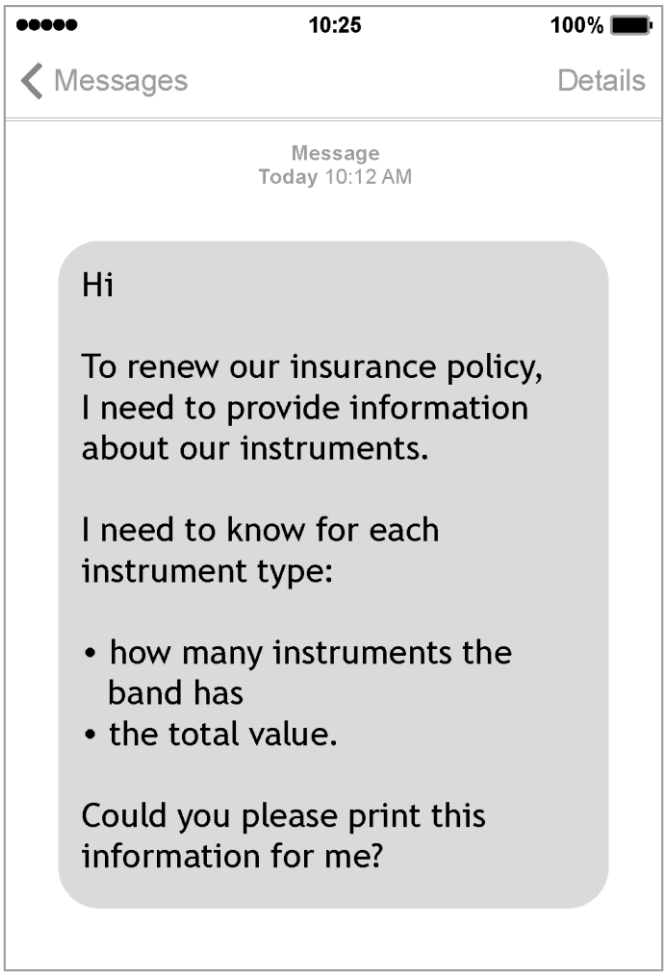

Please complete and print the document using the comments in the files and the information below:

- Create a front cover with the name of the band, an appropriate title and the date of the AGM. Enhance this information, add the band logo and a border to this page only.
- Include a table of contents, as it will make the report easier for members to read. Please add this as a second page, on its own, to the document.
- The Office Bearers' information has been saved as a separate file but needs to be added to the main report at the appropriate place.
- See the sticky note below about the band's new polo shirts. This should be added to the report.
- Insert the band name in the header of all pages except the front cover.
- Also insert page numbers in the footer – odd pages at the left and even pages at the right – on all pages, again, not on the front cover.

NP

It was decided at the last committee meeting that each playing member would be supplied with a grey polo shirt, displaying the band logo, as part of our uniform. We are looking to secure a sponsor to contribute to the cost of the polo shirts. So, if anyone has any business contacts who may be willing to help, please speak to any committee member. There will be the opportunity to have their name/logo printed on the shirt.

Michael is preparing for the Awards Ceremony. He has started a presentation and has asked us to complete it for him.

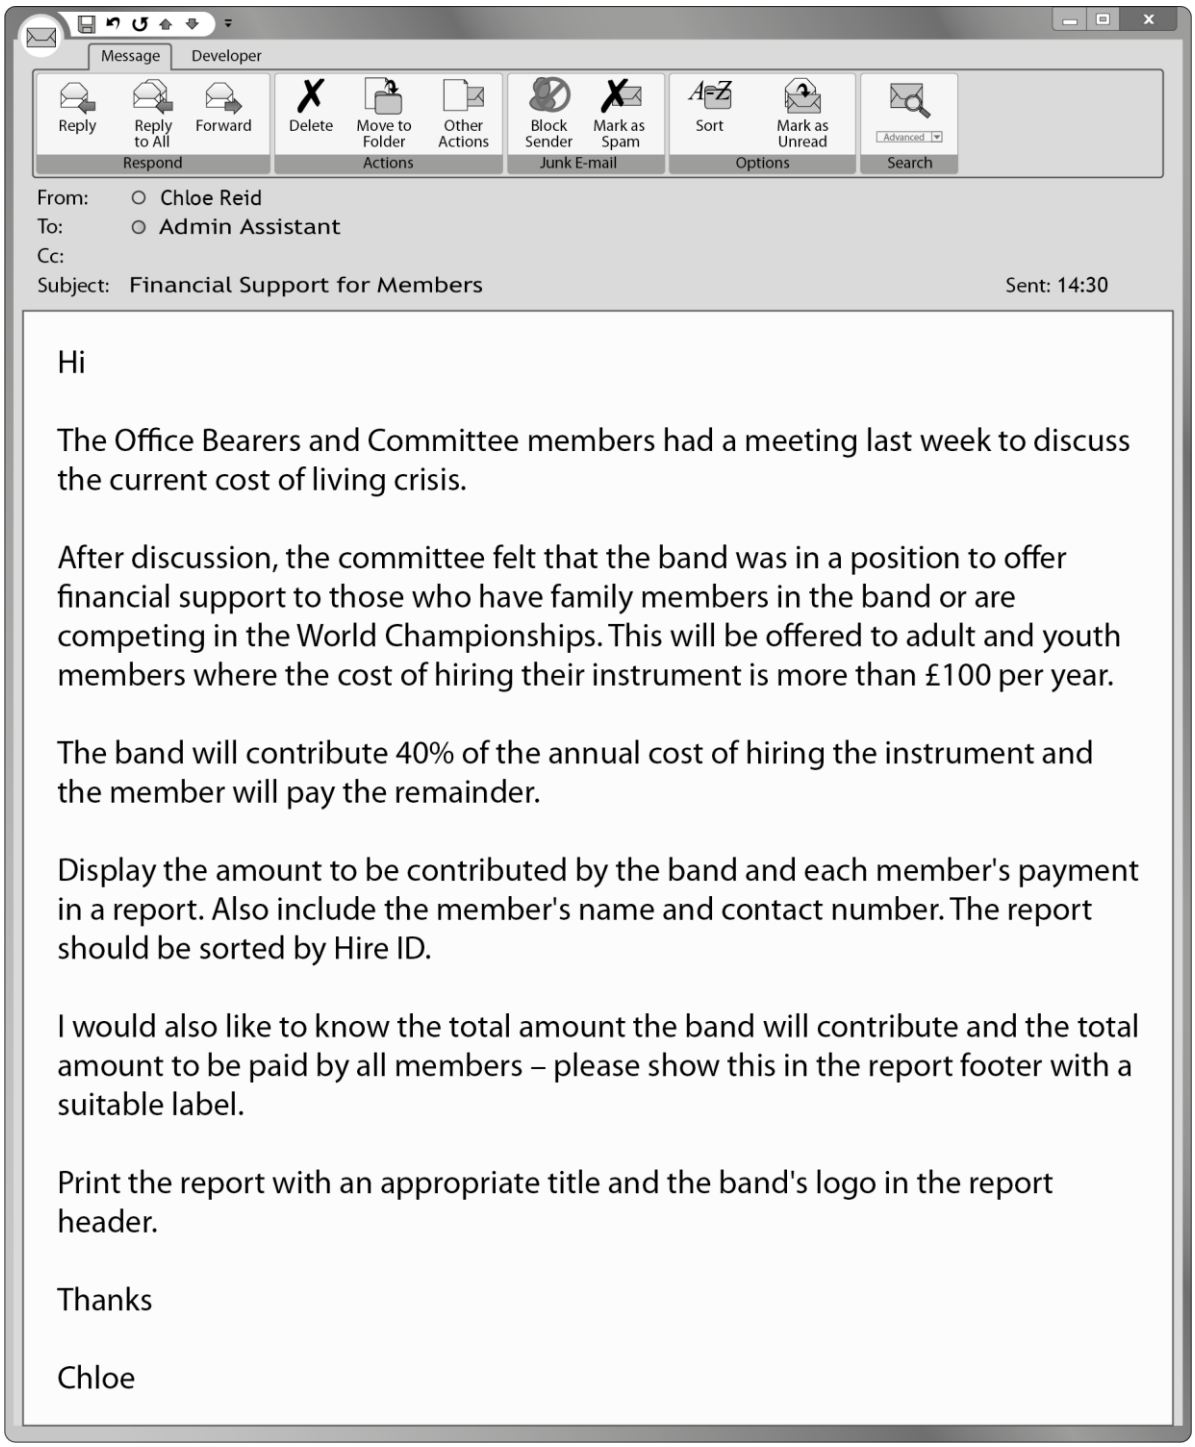

Please use the comments in the file and the information below:

- Change the first slide to a title slide. Add the title – Annual Awards Ceremony – as well as the date of the ceremony.
- Add the following note to the Awards slide:

  This has been a fantastic season for the pipe band, and we have many award winners – please refrain from applauding until the end of each category.

- Insert slide numbers to each slide except the first slide.
- Insert the following as a handout footer: KPB Annual Awards Ceremony 2023-24
- Michael wants a copy of the presentation in advance so that he can also make his own comments. Print a copy in handout format (2 slides per page), but also print the Awards slide in notes format. Both in greyscale.
