Instructions for candidates

This assessment applies to the assignment for Higher Administration and IT.

This assignment is worth 70 marks. This is 58% of the overall marks for the course assessment.

It assesses the following skills, knowledge and understanding:

- using advanced functions in word processing, spreadsheets, databases and presentation software to produce, process and manage information, and solve problems in unfamiliar contexts
- electronic research skills to source complex information
- effective communication skills, taking account of context, purpose and audience

Your teacher or lecturer will let you know if there are any specific conditions for doing this assessment.

In this assessment, you have to work through a series of tasks:

- in the order presented
- that assess the skills, knowledge and understanding listed above
- in one 2-hour block (excluding printing time) — all printing must be completed on the same day as the assignment

You must carry out the assessment under a high degree of supervision and control, although you can access the internet.

Make sure your name and Scottish Candidate Number are clearly identified on each printout submitted.

Molly Evans, the Event Organiser, needs to send a letter to customers who are being invited to our EV Special Event. Please action and delete the comments in the document.

Insert the following event information at the appropriate place:

Date: 14 June 2025
Time: 11 am – 5 pm

We've added more opportunities for the event, please insert the following information as the final 2 bullet points:

- EV Technology Showcase: Learn about cutting edge technology, charging solutions and the benefits of switching to an electric vehicle from our knowledgeable staff.
- Q&A with EV Experts: Have all your questions answered by industry experts and discover how an electric vehicle can fit into your lifestyle.

There are several special offers which will be available at the event. Some of these are included in a separate file. Action and delete the comments in this file.

The final page of the letter should be a Confirmation of Attendance Form for customers who are going to attend the event. This page should be in landscape format.

The form should have space for the customer's name, telephone number and e-mail address. It should also include space for the customer to indicate which type of vehicle they are interested in: Hatchback, Saloon, SUV or Sports Car.

There should also be a tick box for the customer to indicate whether they want a test drive or not. As we will be providing refreshments at the event, can you also include a space in the form for the customer to include any dietary requirements.

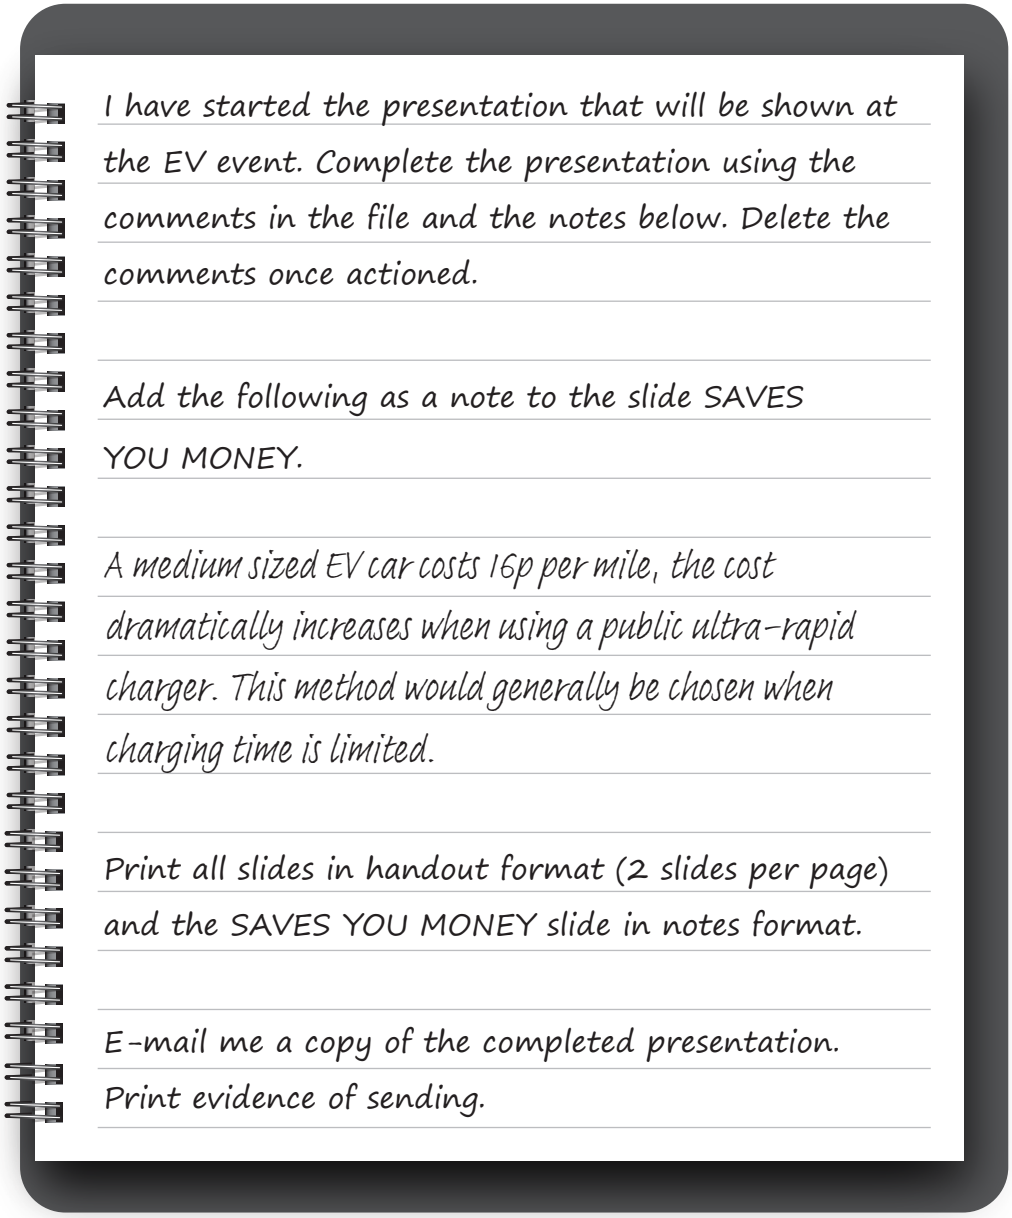

Insert page numbers as a footer on pages 1 and 2 only and

FAO Molly Evans

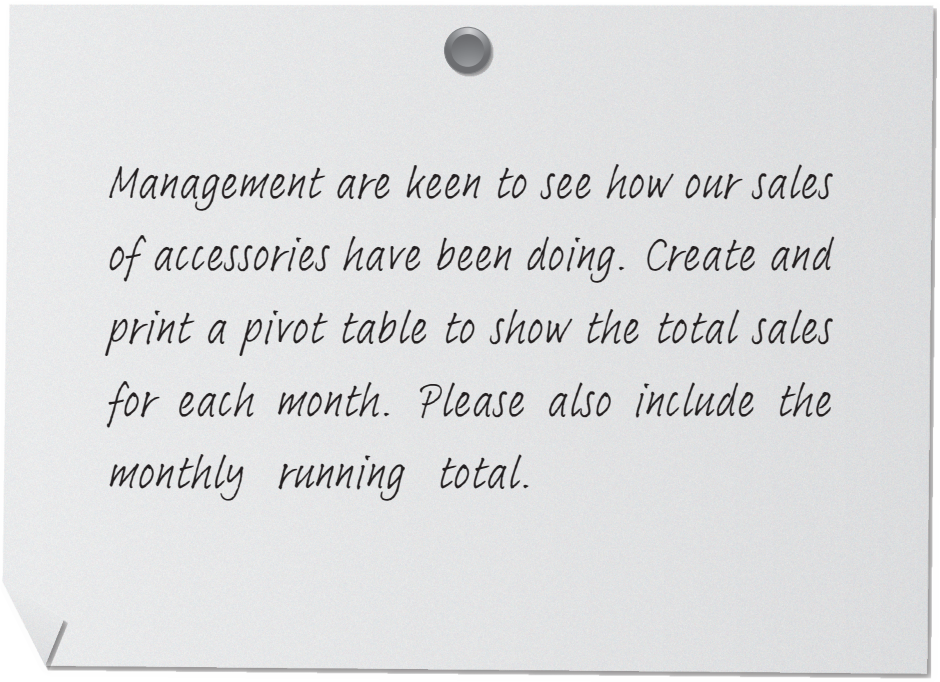

as a footer on page 3.

Print a copy of the completed letter.

DAILY THINGS To Do!

AM

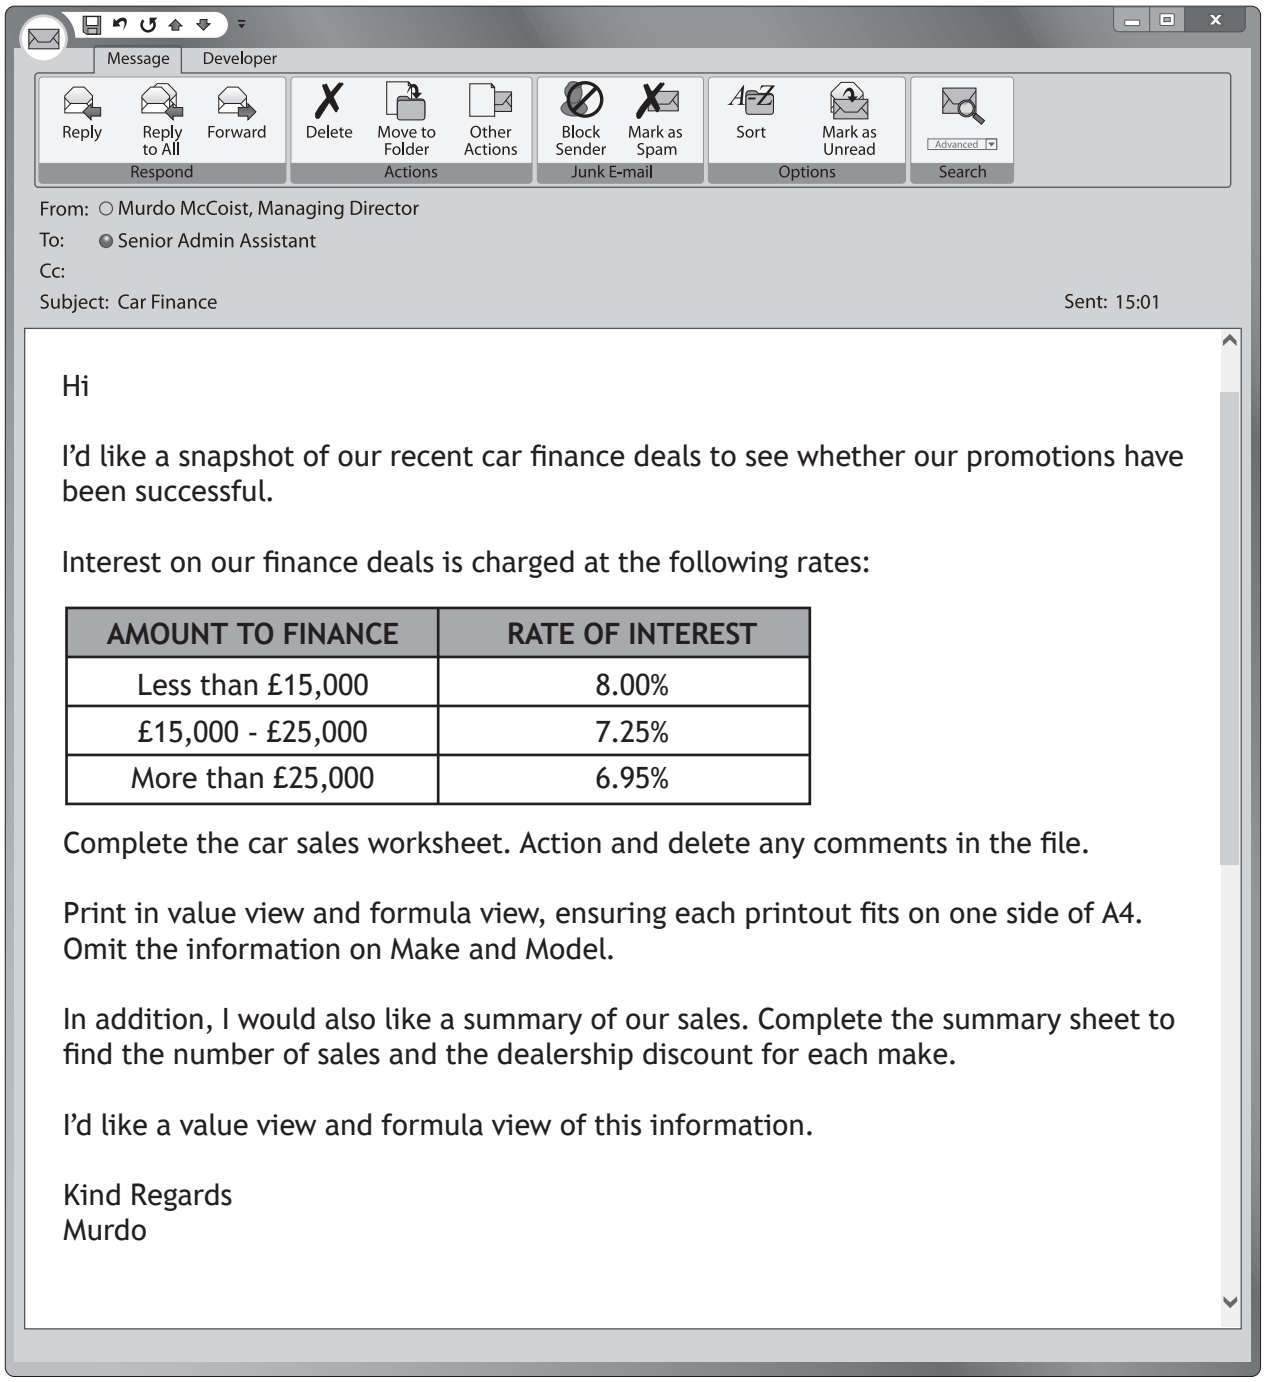

Print staff and salary information.

Management are considering increasing salaries in line with inflation but are concerned about affordability. To help with this decision they need to know the following information for each job title:

- how many staff we have
- the total salaries paid

Hi

I'd like a snapshot of our recent car finance deals to see whether our promotions have been successful.

Interest on our finance deals is charged at the following rates:

AMOUNT TO FINANCE	RATE OF INTEREST
Less than £15,000	8.00%
£15,000 - £25,000	7.25%
More than £25,000	6.95%

Complete the car sales worksheet. Action and delete any comments in the file.

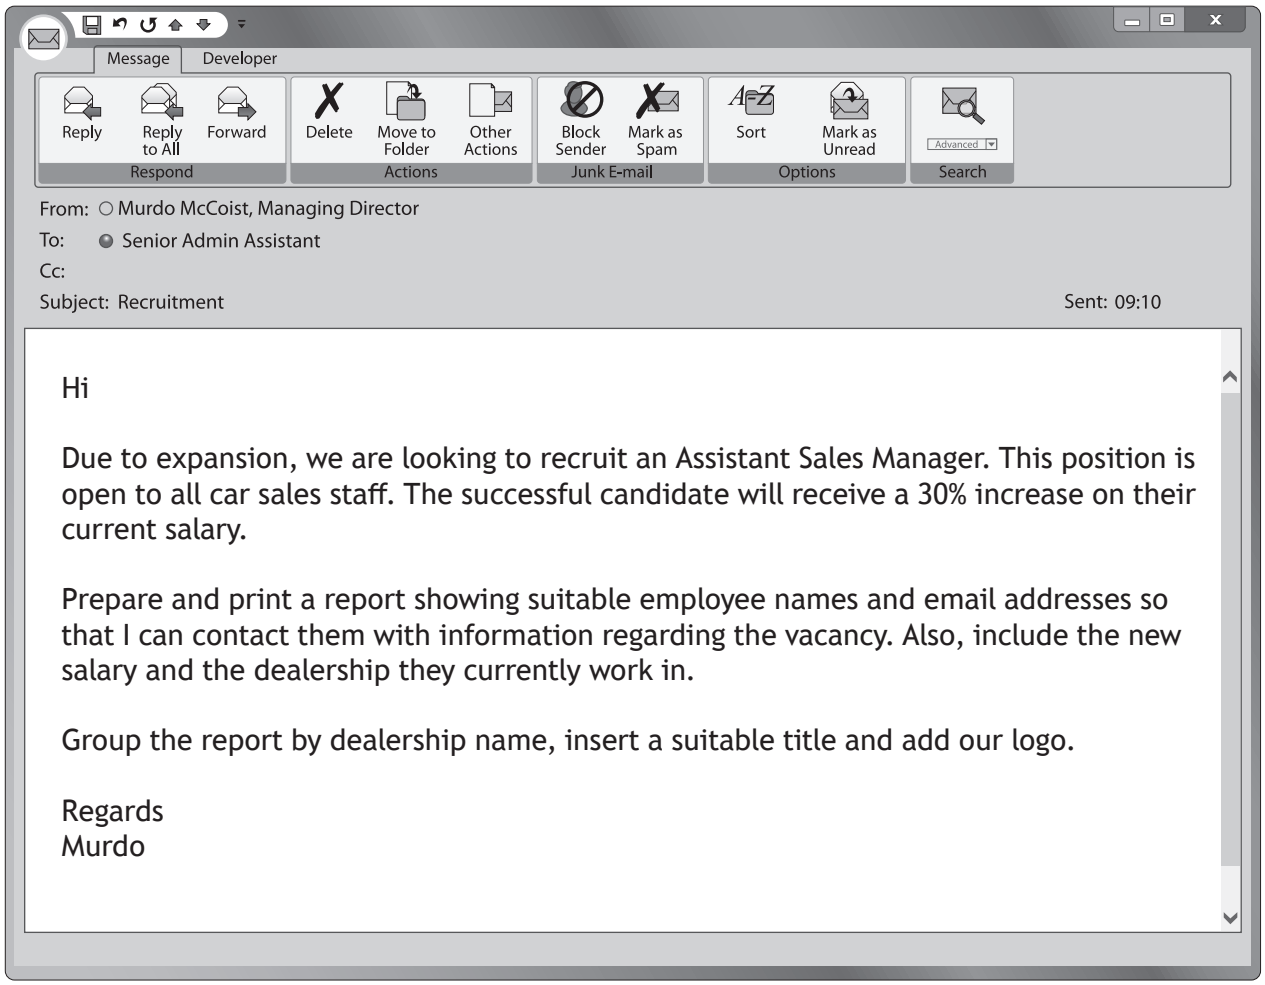

Print in value view and formula view, ensuring each printout fits on one side of A4. Omit the information on Make and Model.

In addition, I would also like a summary of our sales. Complete the summary sheet to find the number of sales and the dealership discount for each make.

I'd like a value view and formula view of this information.

Kind Regards
Murdo
