SECTION 4 — APPLICATION OF GEOGRAPHICAL SKILLS — 10 marks **MARKS**

Attempt the question

Question 12

Planning permission has been granted to create 300 new homes to the south of Highbridge, which is a small town in the district of Sedgemoor. The development will include a new primary school for 210 pupils, outdoor play facilities and public spaces. The site will also provide opportunities for new walkways and a cycle route into Highbridge.

Study the OS Map (Extract No 2249/182) Diagram Q12A, Diagram Q12B, Diagram Q12C and Diagram Q12D before answering this question.

Referring to evidence from the OS Map extract and information from the other sources:

(a) **discuss** the suitability of the site, shown on Diagram Q12A for the proposed housing development; **and**

(b) **suggest** any social, economic or environmental impacts this development may have on the local area. **10**

Diagram Q12A: Proposed site for New Housing Development in Highbridge, Sedgemoor District

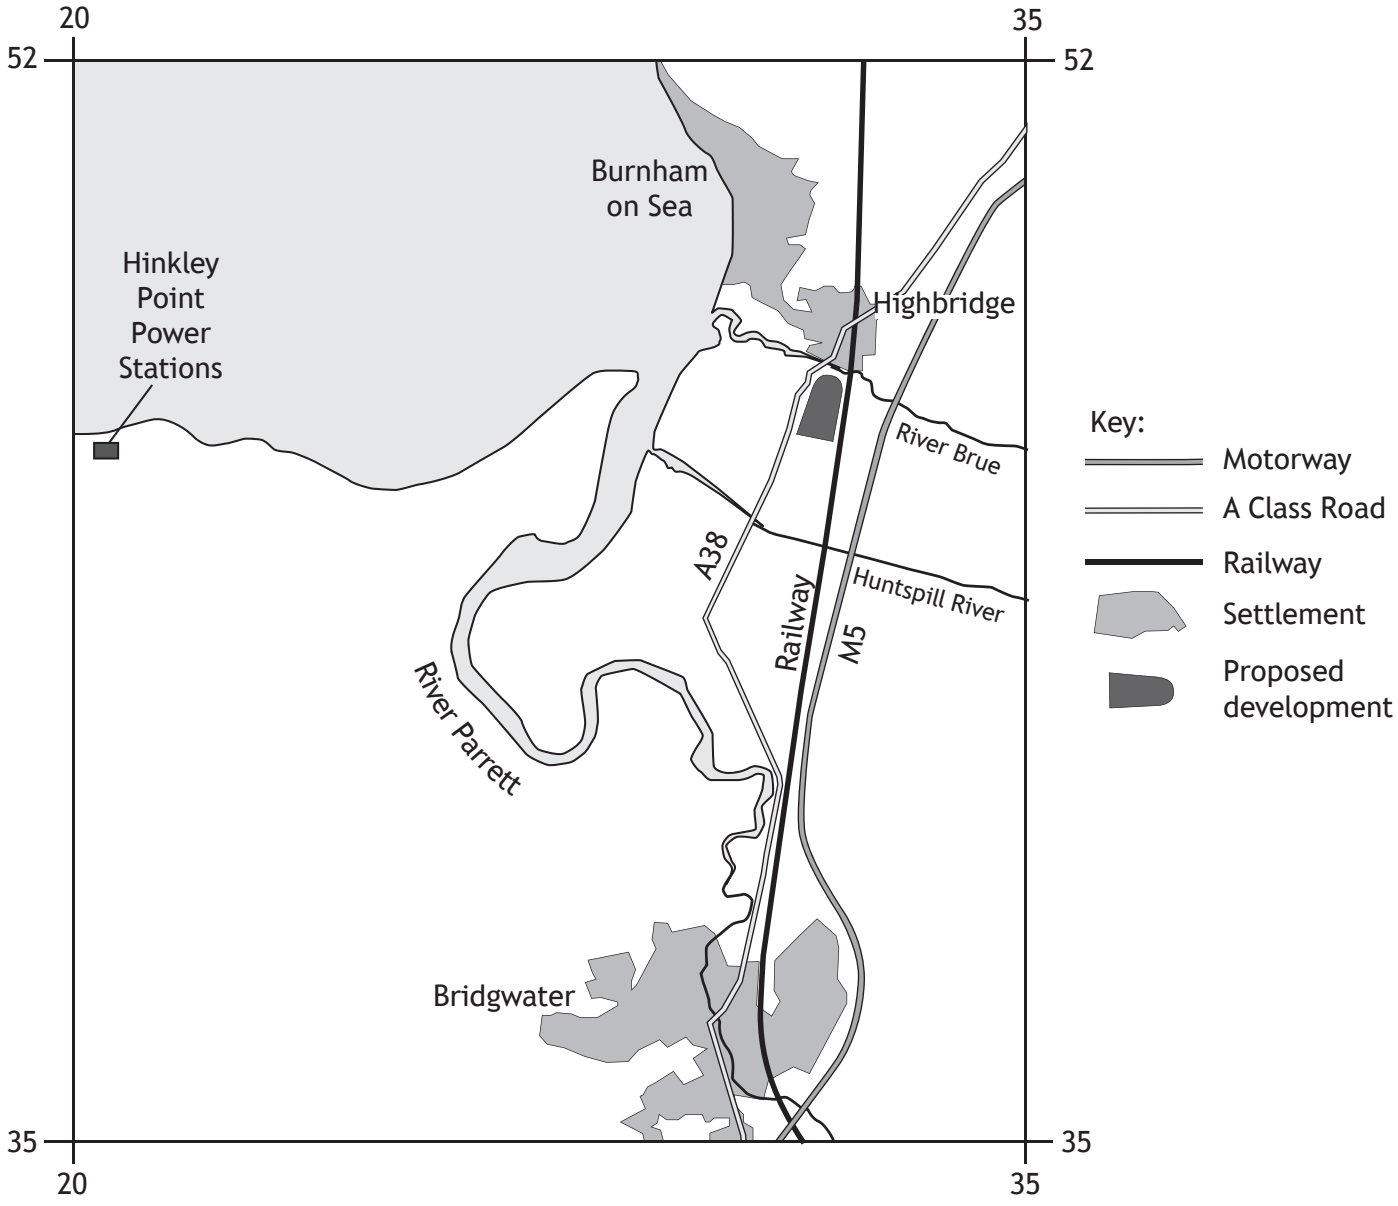

Diagram Q12B: Location of Highbridge

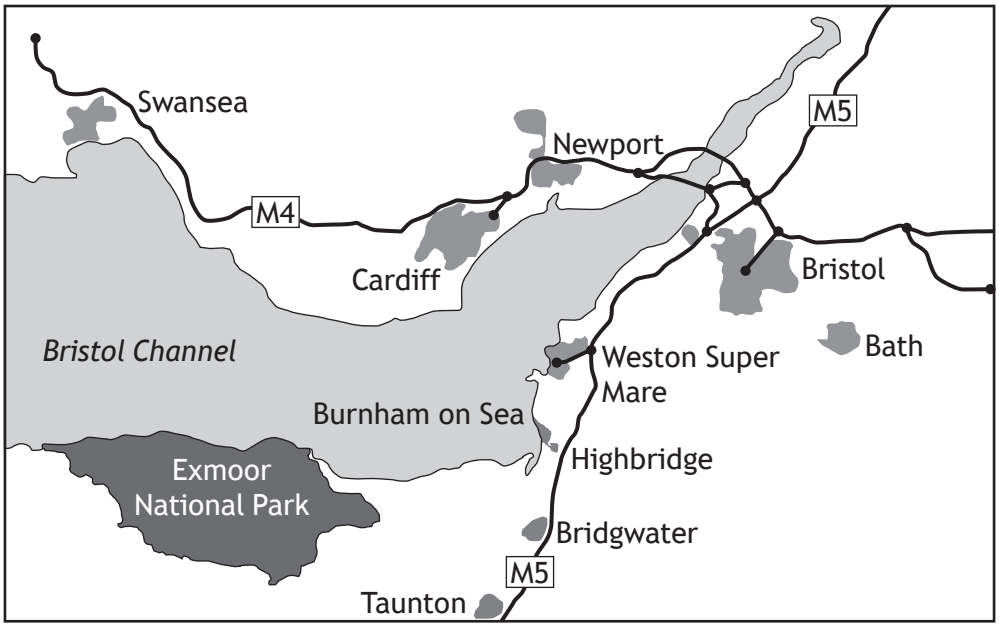

Diagram Q12C: Population of Sedgemoor District

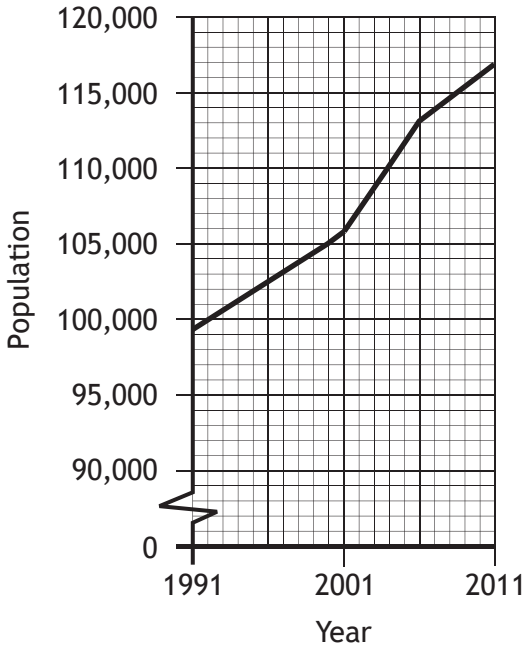

Diagram Q12D: News Article from Yeovil Express, October 2015

YEOVIL EXPRESS

Hinkley Point C is good news for local area

The expansion of the Nuclear Power Station will provide 25,000 new jobs to the area during construction. EDF Energy has also been busy putting into place the infrastructure that will help deliver the project and reduce its impact for the local community. £16 million has been invested in improving the local road network in Bridgwater and surrounding areas
