Question 5

There is a proposal to build a new development of 675 homes to the north of Chorleywood. The development will be situated in the area surrounding GR 025968 within the Three Rivers District. This is an Area of Outstanding Natural Beauty (AONB) with the site currently used for cattle grazing.

The proposal includes:

- 50% affordable housing
- a new primary school
- retaining and enhancing existing trees and hedgerows
- new green spaces around the development, including a new wetland area surrounded by parkland
- new walkways and cycle routes to the surrounding area.

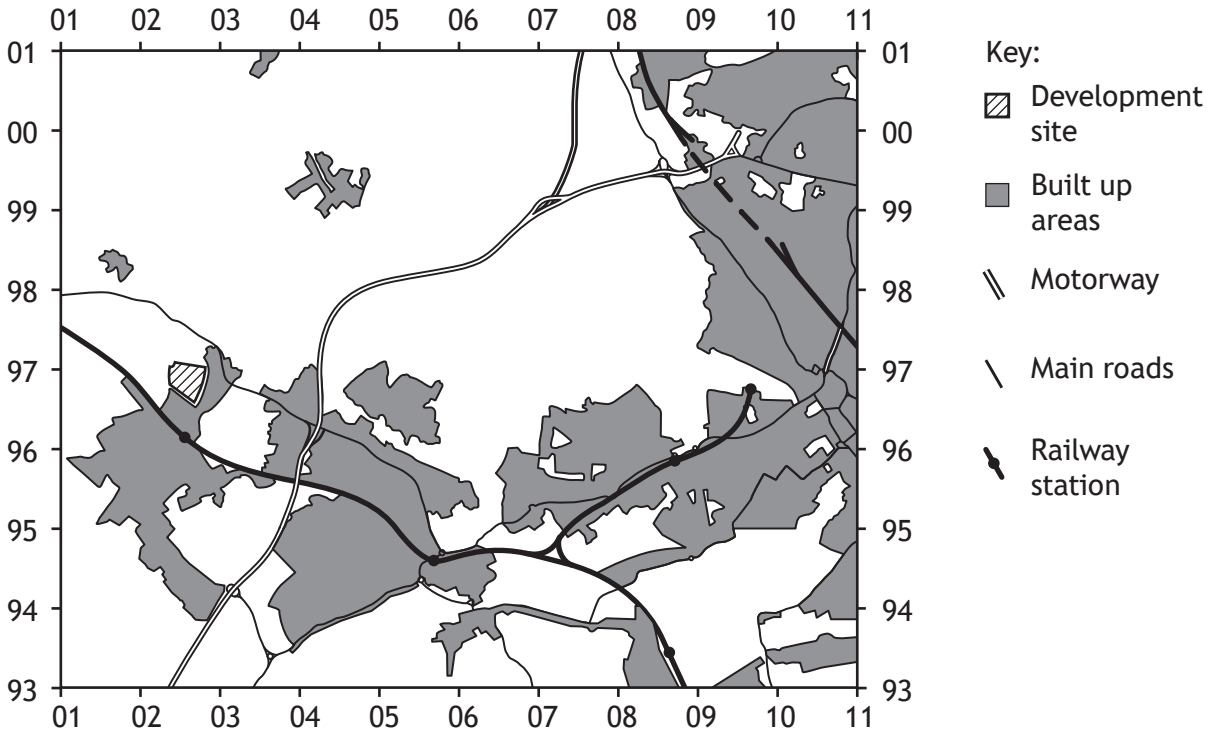

Study the Ordnance Survey map extract of the Chorleywood area and Diagrams Q5A, Q5B, Q5C and Q5D before answering this question.

Referring to evidence from the OS map extract, and information from the other sources, **discuss**:

(a) the advantages and disadvantages of the site of the proposed new housing development; **and**

(b) any possible social, economic or environmental impacts that this development may have on the surrounding area. **20**
