Four colours should appear above; if not then please return to the invigilator.  
Four colours should appear above; if not then please return to the invigilator.

ROADS AND PATHS

|                 |                                                                    |
|-----------------|--------------------------------------------------------------------|
| Junction number | Not necessarily rights of way                                      |
| Service area    |                                                                    |
| M1              | Motorway (dual carriageway)                                        |
| Unfenced        |                                                                    |
| A 470           | Primary Route (recommended through route)                          |
| A 493           | Main road                                                          |
|                 | Road under construction                                            |
| B 4518          | Secondary road                                                     |
| A 855 Bridge    | Narrow road with passing places                                    |
| B 885           | Road generally more than 4m wide                                   |
|                 | Road generally less than 4m wide                                   |
|                 | Path / Other road, drive or track                                  |
|                 | Gradient: steeper than 20% (1 in 5), 14% to 20% (1 in 7 to 1 in 5) |
|                 | Gates, Road tunnel                                                 |
| Ferry P         | Ferry (passenger), Ferry (vehicle)                                 |
| Ferry V         |                                                                    |

RAILWAYS

|                                                     |                                    |
|-----------------------------------------------------|------------------------------------|
| Track multiple or single                            | Bridges, footbridge                |
| Track under construction                            | Level crossing                     |
| Siding                                              | Viaduct, embankment                |
| Tunnel, cuttings                                    | Station, (a) principal             |
| Light rapid transit system, narrow gauge or tramway | Light rapid transit system station |

WATER FEATURES

HEIGHTS

|                                             |                                                                                                                                                               |
|---------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 metre = 3-2808 feet                       |                                                                                                                                                               |
| Contours are at 10 metres vertical interval |                                                                                                                                                               |
| .144                                        | Heights are to the nearest metre above mean sea level                                                                                                         |
|                                             | Where two heights are shown the first height is to the base of the triangulation pillar and the second (in brackets) to the highest natural point of the hill |

PUBLIC RIGHTS OF WAY

|                           |                                                                                                                                                                             |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Footpath                  | Other route with public access (not normally shown in urban areas). Alignments are based on the best information available. These routes are not shown on maps of Scotland. |
| Bridleway                 |                                                                                                                                                                             |
| Restricted byway          |                                                                                                                                                                             |
| Byway open to all traffic |                                                                                                                                                                             |
|                           | On-road cycle route                                                                                                                                                         |
|                           | Traffic-free cycle route                                                                                                                                                    |
|                           | National Cycle Network number                                                                                                                                               |
|                           | Regional Cycle Network number                                                                                                                                               |
|                           | National Trail, European Long Distance Path, Long Distance Route, selected Recreational Routes                                                                              |
|                           | Firing and Test Ranges in the area. Danger! Observe warning notices.                                                                                                        |

BOUNDARIES

|                                                                    |  |
